Prof Sereno Watson

Cambridge Mass.

Dear Sir

I see by your advertisement  
in Bul. Torrey Bot. Club that you  
have the "Jabany" of the Wilkes Exp.  
for sale

Have you odd you know where  
a copy of "Dana's Crustaceae" of the  
same Expedition can be had and  
at what price

Yrs  
Charles S. Fellows

P. O. Box  
966.
